

# ST VLADIMIR'S ORTHODOX THEOLOGICAL SEMINARY *announces...*

## THE SUMMER 2005 YOUTH INSTITUTE FOR HIGH SCHOOL JUNIORS JUNE 18-24, 2005

### Church and World, Part I: "Church and Culture"

Each year SVS gives full scholarships to six qualifying high school students (three males and three females who have just completed their junior year of high school) to attend the Summer Youth Institute. With the exception of travel to and from the institute, all expenses are covered. Youth institute participants join in the main talks of the adult summer institute and break off for their own group discussions. They take off-campus field trips and complete a short research project using the seminary's library resources. This summer's institute is devoted to discussing the Church's relationship to surrounding culture. SVS encourages all Orthodox youth who are in their junior year of high school to apply.
